

Floral Heart

Broadstone & Corfe Mullen Floral Decoration Society President Jean Allcroft presented a cheque for £500 on behalf of the club to Poole Coronary Care Unit (CCU) at the floral club's annual general meeting on Tuesday 15th January 2008. The cheque was received by Mrs Marion Johnson, CCU Ward Clerk, who then gave a brief talk about the work carried out by the staff at the unit before thanking the club for its donation, which will go towards buying equipment for use within the new pacemaker suite at the hospital.

The floral club run a charity stall at their monthly meetings and last summer held a fundraiser coffee evening. The charity was a popular choice with the club particularly as some members' husbands have been past patients of the unit. Many thanks to all club members and friends who have helped raise funds.
